EVERSDAL GYMNASTICS GIMNASTIEK

Dear Parents,

Entry to the training venue and church grounds will now only be accessible via the Accentronix app (available on PlayStore) to open the gate. The gate to parking will no longer be left open. You can download the app at the link below:

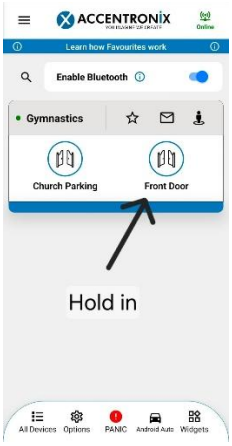
https://a.accentronix.co.za/L/w?k=01234567890

(please click on the above link via your phone)

We have uploaded active gymnasts' parents' numbers onto the app. Should you have a family member or guardian of your child added (like an au-pair or grandparent), you will need to WhatsApp us their number, who they are of the gymnast, so that we can add their number for the access gate

The app will be necessary for all as entry to the grounds & training venue will only be accessible via the app to open the gates. Hold the button in.

HOW TO OPEN THE GATE:



This is for the safety and security of the club, coaches, gymnasts and friends/family alike.

Further safety and security to note:

- **Bookings are essential**. Gymnasts' attendance must be booked.
- **Gymnasts must report their arrival at reception and mark their name off**.
- We have noticed some parents drop their kids off, parking in Frans Conradie – this is a major safety and security risk. Please be aware that you'll need to access the app in future to let your kids inside.
- Know your surroundings and keep your belongings safe. Make sure you are familiar with who is around you. Report any suspicious activity to us.

Our main priority is to ensure a safe environment for all, and therefore we require your cooperation.

Thank you for your understanding and support in this matter.

Kind Regards,

Eversdal Gymnastics Club
