BOOKINGS

We notice a lot of parents do not book / forget to book. Bookings are uploaded weekly, every Friday, for the following week. Parents are advised to please plan their sessions, and book accordingly. Booking for the same day sessions go offline at 12pm and Saturdays at 7am. **NO late bookings will be accepted since we give enough time in advance for parents to book.** If late, we advise booking an alternative day. If, however, there are no space in the session, you can advise Rousseau on WhatsApp 0610076982 and ask to check if extra space can be made ONLY if it is before 12pm on the day.

Bookings are essential. It helps us keep record of attendance. It helps us have a list ready in case of emergencies. For safety and security. It helps us determine how many coaches will be needed if a session's attendance will be at its highest. Should we have to cancel the session at short notice due to unforeseen circumstances, we know who to contact. It will prevent parents from arriving at a session that maybe was cancelled or not taking place at all due to the session not being available to be booked. If no one books for a session, we notify the coaches if they are required to come in or not.

We ask parents for their cooperation in the regard. It takes 10 minutes to book for the week ahead. This can be done while you have a quick break or watch your favourite television program. 😊

How to cancel a session before 12pm or earlier – check out the steps here:

<https://www.eversdalgymnastics.com/booking--forms.html>

To cancel a session after 12pm on the same day, please do so on WhatsApp to Rousseau. Sessions are limited in space based on the availability of coaches for each session.

CHECK IN OF GYMNAST

Please note that the check in form is still compulsory to complete upon arrival at the gymnastics.

We urge parents not to complete it beforehand and not to ignore this, as we have checked our records and noticed there are many gymnasts who haven't been checked in for practice. Gymnast name and surname, with SAGF number to be completed still. This is for our register and safety records. **Should there be a case of emergency, it would be beneficial to the club and yourself, knowing you checked in and the time your gymnast was in the building.**

Please also note that the check in form is not the same as to book a session.
